- ✓ Interactive PRISMS Live sessions
- ✓ Easy registration for live, online classes at your convenience
- ✓ Scored self-assessments, user dashboards showing current and past activity
- ✓ Comprehensive roll-up dashboard with meaningful metrics about E-Learning usage
- ✓ Optional custom E-Learning available at an additional cost

FLEXIBLE, USER-FRIENDLY OPTIONS

The flexible PRISMS E-Learning options saves your organization time and money with schedule-friendly training that maximizes the benefits of role-based, blended learning. Enjoy a comprehensive training approach that is convenient and focused.

PLANVIEW PRISMS E-LEARNING DELIVERS

ON-DEMAND CLASSES

On-demand learning provides training on focused topics that can be completed quickly and easily. These modules are available 24/7, so learning fits easily into your schedule. Our always-growing library of on-demand learning is full of formal and informal learning modules that address a variety of learning styles and experience levels.

PRISMS LIVE

Concept and methodology courses featuring fundamentals around ideation through strategic and investment planning, demand execution management, resource management and portfolio management for products, services, and assets. Courses also cover concepts around lifecycles, work, portfolios, alternate structures and best practices.

ASK AN EXPERT

Informal, live sessions bring you direct access to the experts at Planview. Bring your questions and join the casual conversations that can deepen your understanding of Planview solutions. Courses cover concepts and methodologies around product management, corporate financial planning, services resources management, information technology, and much more.
